

Hi, my name is Luna

Adopt Love!

Female Domestic Short Hair Cat

Meet Luna! This beautiful green-eyed girl came to SAFE Esperance from the Kalgoorlie pound and is looking for a home to call her own. Luna is a little reserved initially and seems to prefer the company of female humans. She loves to be made a fuss of and enjoys playtime, especially in her cat tunnel. She would prefer the company of older children only (10+), and a quieter household would suit her perfectly. She could live with another cat or a friendly dog too. She is litter trained, and as she has a white face we would recommend she is kept strictly inside, out of the sun. If Luna sounds like the girl for you, please fill out an enquiry and we will be in touch soon.
