

Hi, my name is Primrose Aka Rosie

Family Pet

Medium Female Border Collie Mix Dog

Just a sweetie. Very affectionate and loyal , this girl was surrendered due a change in family circumstances and through no fault of her own. Although some training is required, we find her loving, soft nature and her eagerness be your best friend makes up for it. Still very much a pup she is playful and goofy and enjoys a game so training shouldn't be a hard work. Rosie likes a car ride and she generally approaches people with a tail wag and lick of the hand. She has had some exposure to children but may be a bit much for the very young.
