

Hi, my name is Zazu

Looking for love

Female Domestic Medium Hair Cat

Hey all! Can't you hear both of us calling your name? That's right! It's Meooooow, isn't it? I'm Zazu, the one with the short meow, and this is my brother, Oliver, and he has the LOOOOOOONG meow! That's how you can tell us apart ;) Aren't we both just the biggest balls of fluff you've seen in a long time? Serious brushing time required to keep us looking soooooo amazing but hey, the rewards, man! The rewards! We are TOP CATS! OK, you hear a lot of felines here saying the same thing but really? Do they compare to us? Just ask for a meet up and you'll give some serious loving. No worries about picking up, stroking, cuddling, scratching, etc etc. Confident is our second name. Just check out how fast we move when you open the cage door! Oh boy, places to explore and smell and climb and anything else that strikes your fancy. BUT....yep, you're right. We come as a duo act. No taking one without the other.... But why would you? I mean double the joy, double the beauty, double the love! Are you up to it? Double puuuuuuuurrrs
