## Male Domestic Short Hair Cat

Hi there, my name is Oscar and I can be a little shy to start with, but I'll soon warm up to you. I'm friendly to everyone I meet. I love my beauty sleep! I have a short, easy-care coat. I would like to live in a mature family, as kids can be a bit overwhelming for me. I need to be the only cat in my new home. I am desexed.

RSPCA adoption animals are desexed, microchipped, vaccinated and up to date with flea and worm treatments before going to their new homes, and this is all included in the adoption fee.
