## Looking for love

### Female Domestic Short Hair Mix Cat

I'm a 'Personal Assistant'. You're working on the computer? Let me press the keys. Reading the paper? I'll hold the pages down for you. Watching TV? I'll just plop in your lap so you can pet me. I love an orderly household, don't you? I'll help you with all your chores and we can relax together when we're done. Honestly, you'll wonder how you ever managed without me. I am desexed, microchipped, vaccinated, and up to date with parasite prevention. I have lots of love to give, please come and meet me as soon as you can.
