

Hi, my name is Dora

Looking for love

Medium Female Greyhound Dog

The beautiful young lady has recently retired from the racetrack and is seeking a comfy retirement as a couch potato. She is settling into her foster home. She was a bit shy and quiet the first week but has really come out of her shell. Dora enjoys a bath and loves to chase the ball. She's also obsessed with squeaky toys! She plays best with larger dogs although is friendly with all dogs. She was scared of the car for a bit but now enjoys getting in and going places. She is getting to know her little foster sister and has stolen her bed! Also fantastic with her human foster siblings but scared of the cat after it punched her! All PAWS Darwin animals come with de-sexing, up to date vaccinations and worming plus micro-chipping. In addition to this all dogs are eligible for 4 free socialisation classes. For more information or to meet the animal please complete the meet & greet form on our website <http://pawsdarwin.org.au/forms/>
