Male Domestic Short Hair Cat

Hi! My name is Pepito. I'm a lovely, friendly boy that loves attention. I will come and sit on your lap and follow you around the house to see what you're up to. I like to watch the birds through the windows but I can get a bit destructive if I'm left inside so I need a home where I can have some outdoor time too. If you've got an outdoor run or enclosure for me that will suit me perfectly and will keep me safe and those pesky birds I'm after. I don't mind other cat friends and I'd probably be ok with a dog if they were nice to me. Kids are good, I love kids, they give me lots of pats.
