

Hi, my name is Pandora

Looking for love

Medium Female Staffordshire Terrier Mix Dog

Pandora is a sweet and needy girl who loves nothing better than to be the centre of attention all the time. Pandora insists that we talk to her if we walk past her kennel and loves social play and toy play with the staff here. Her ideal home would be one where there is often someone at home and she can have inside/outside access. She can bark when she is left alone and will require some training to help her feel comfortable in her new environment before being left by herself. Pandora is a cute dog who is tons of fun and needs a family to make them one of their own. Could this be you? Behavior RSA Prefer someone home a lot
