

Hi, my name is Rhubee

Adopted

ADOPTION FEE \$150

Female Dutch Rabbit

As you can see little Rhubee is just stunning! Her black and white Dutch coat is so soft and silky (short coat) and easy to maintain too. Rhubee was recently surrendered to us as her previous owners circumstances had changed. We were more than happy to help her rehome

Rhubee and knew we could find her that amazing forever home! Rhubee is just delightful, gentle soul with at times a playful personality which just makes you want to smile. Rhubee was surrendered to us in great condition, a real credit to her previous owner who obviously loved her alot. Rhubee is 9 months old and is a smaller bun at 1.8kg - Yes, Rhubee has been desexed/vaccinated/microchipped by The Unusual Pet Vets! Personality wise, Rhubee is just delightful! Once she learns to trust you she will come out of her shell and show you her impressive binkies and crazy zoomies! Rhubee does love her outdoor time and happily flops and basks in the winter sun whilst watching the world go by....as you do! She loves to explore and seems to enjoy relaxing in her cat tower! So far Rhubee hasn't shown any signs of being...
