

Hi, my name is Beanz, Noodle And Charli

Family / Companion pet

Small Male Staffordshire Bull Terrier Mix Dog

We are full of beans, real sweeties and ready to be your best bud! Mum is an English Staffy mix and dad is unknown. Beanz and his siblings have short legs and long bodies like a jack russell type. We think they will be knee height and stocky when fully grown . Typical staffy nature and temperament, each will need training and inclusion to develop all the skills and behaviours of a take everywhere pet. Suitable for small space living and existing pets. Great companion pet for traveling / caravanning.

2 further vaccinations are required.
