

# Hi, my name is Willow

## A loyal girl!

### Medium Female Blue Heeler x Kelpie Mix Dog

Willow is a sweet and loving girl who truly had an angel looking out for her. She came into SAFE Newman care after her owners contacted as they were moving and weren't able to take Willow. Willow spent her life chained up, living on the red dirt, no bed and not even a bowl to eat from, her food scattered on the dirty ground (pictured). Due to no fault of her own, this special girl deserves so much more! She came to SAFE and little does she know, she is truly blessed and it's her second chance at a better life. Knowing very little about Willow, she was given a chance and aren't we just so glad as she is so amazing. She has been known to be a bit picky with certain dogs however we have come to realise that Willow needs time to adapt to a new home environment and get used to having a friend around as she isn't a mean girl, she is just misunderstood. She is currently in foster care with 5 dogs ranging from all sizes and ages, pups to 9 years old and has been great. She loves to play, all day and night! A confident dog or puppy can really help Willow come out of her shell and show her ...
