

Hi, my name is Kitty

Kind and gentle soul

Female Domestic Short Hair Cat

KITTY is a domestic shorthair looking for a cosy home to call her own KITTY'S previous owner has been placed in a retirement home, and with no where else to go, she had been left to fend for herself outside for months and months on end... If you are after some warm company, KITTY is the one for you.

She is a friendly, gentle soul, and will come up for pats, purrs and headbutts This lovely lady has a warm and sweet personality, and is looking for someone to provide her with the love and attention that she deserves ♥ KITTY is fully vet worked, including desexed, microchipped, vaccinated, and worm and flea treated. She would prefer an indoor lifestyle in a quiet home for her safety and well-being. If you believe that she is the right pet for you, please complete an 'Adoption Application Form':
