

Hi, my name is Simba

Looking for love

Male Domestic Short Hair Cat

Hello, I'm Simba! I was surrendered to the shelter to find a more appropriate home, and am very excited to meet my new family. I am finding the shelter very overwhelming, so please be understanding regarding this. My love of food is quite obvious, some would say I represent a bowling ball, but I am choosing to embrace my curves until my diet begins to work. I have previously lived with one older male, and found the shelter very overwhelming to begin with. I think I would be happier in a home similar to this one, where

I can feel safe and have a set routine. I have been described as very intelligent (I can figure out where you've hidden my food supply!) and a fast learner, and I enjoy giving kisses to people upon meeting them.

I am used to spending most of my time sleeping and enjoying the company of my human. I will need plenty of time and patience while settling in, but after a few weeks, I'm sure I will feel right at home! If you would like to meet me, and potentially offer me a new home, I would be very interested in meeting you!

Please Note I will only be available to intera...
