## Looking for love

### Female Domestic Short Hair Cat

Hi, my name is Nala. I'm a shy, quiet, older lady who was left here by my old family as they could no longer look after me. I am looking forward to having a new place to call home. When I'm comfortable with you I can be affectionate and eager for a scratch behind the ears. I'd love a nice, comfy spot on the couch or bed to laze away the day. I'd definitely keep you company! Little kids may be overwhelming for me but I'd probably be ok with older ones once I settled in. I don't mind playing and can't resist chasing a ribbon. I'm ok around other cats too and I may enjoy having a friendly feline to show me the ropes but I'd be ok on my own too. I don't mind hanging with my foster pal Magnus. I think I'd make a good couch companion for you, what do you think?
