

Hi, my name is Duke

Looking for love

Medium Male Bull Arab x Amstaff Mix Dog

Duke! This guy hitched a ride with the ever helpful Zane on Friday Night from Livingstone Pound. We are so grateful for people who are willing to travel and help out with these fur kids! Now Duke is just a barrel of energy and still a pup and needs some training. He's a little mouthy and wants to use your arm as a chew toy but not in a bad way.. in a excitable giant puppy teeth kind of way. He's slowly starting to get rid of his built up energy he's had from sitting in the pound for the last few weeks and after desexing next week he will settle down plenty more and will make a great mate. He's not too keen on cats. Probably never seen one in his life until now at his foster families house. He's super super playful with other dogs once he's had a chance to settle down and get to know them. If you want to make this boy a part of your family then let us know ☐
