

Hi, my name is Titan

Looking for love

Male Domestic Short Hair Cat

Introducing Titan! Titan is possibly a parrot in cat form or wants to be a pirate cat, he likes to be up high and in particular resting on your shoulder or wrapped around your neck and shoulders keeping you warm.

He's a very confident boy and wants to be anywhere you are. He has been known to leap onto your shoulders from a great distance just so he can be with a human!
