

# Hi, my name is Chairman Meow Sua004225

Looking for love

## Male Domestic Medium Hair Cat

Chairman Meow is a simple man with simple needs. He would like a quiet home with his own chair, bed and or couch to snooze away the days and overlook his kingdom. A home that he is the only four legged family member as he has no tolerance for other cats or dogs. As Chairman Meow is FIV+ he must be indoors only or a home that has an outdoor enclosure for him. About FIV in Cats – FIV cats live many years without any health problems. FIV CANNOT be transmitted to humans, dogs or other pets. FIV can only be transmitted to other cats through deep blood-drawing bite wounds. He must be an indoor cat only to reduce any possibility of him being attacked or fighting with another cat.
