

# Hi, my name is Jenny

## Black Beauty

### Medium Female Greyhound Dog

Not cat friendly/small dog friendly Full time workers / Part time Workers Family with Primary School aged children or Couples, Singles. Jenny is a shiny black gal with a splash of white on her chest, she is nearly 4 years of age and is just the most loving girl. She has settled into 'pet life' beautifully, she just loves her human friends and has discovered toys are a pretty good thing as well, especially her beloved Teddy Bear. She is the proverbial 'couch potato' as well and likes to lay down, her head on the pillow next to you or on her own having a lovely snooze. Jenny has taken to pet life like a duck to water. Jenny loves her foster Mum and Dad so much, so a family who around most of the time, so part time workers would be ideal, but in saying that, Jenny is such a relaxed chilled out gal, a house with full time workers would be fine as well. Jenny would be an ideal only pet as she isn't particularly keen on cats or small dogs, so a house without these is a must. Jenny is fully house trained, she is so clever, she picks up instructions so quickly, just so willing...
