

# Hi, my name is Sahri

## Big Ears, Bigger Heart

### Medium Female Kelpie Mix Dog

Hello! I'm Sahri and if you're looking for the gentlest dog both my foster mums and their friends have ever met, then I'd love for you too come and meet me! I came from rural Queensland I lived as a stray before Happy Tails rescued me and my belly full of babies from the pound. My babies have found their forever homes and now I'm ready to find my forever home! I'm very timid at first as life has been very confusing and I've never had a family to call my own but if you give me a couch (or preferably a lap) I'll be settled in no time. I lost faith in people due to how they treated me, I became very fearful and scared. I was rescued and placed into training, I have grown so very much in training. I trust again and almost smile now. I now need someone to help me in my next journey. That journey is a home of my own. I would need someone to help guide me, love me, give me direction in what I can or can't do. Some good food and a loving hug. Is this you? I'm currently not tested with kids, therefore older kids I would be ok with. While I like some dogs, other dogs aren't ...
