

Hi, my name is Claude

PLAYFUL CHEEKY COMPANION

Male Domestic Short Hair Cat

INDOORS ONLY Hi I'm Claude. I came into Rescue Me Whiskers & Paws several months ago after I was bought into the emergency vets as a stray. Initially I was highly anxious and would pluck my own fur out and territorial of my enclosure and I would scratch and bite my carers. I rarely do this now. I like other cats, but I can be bossy with them. Due to all this my carers are looking for a special home for me. My carers think I am a very special, affectionate yet cheeky and occasionally naughty boy. I adore my humans. I am the first to call out to you, greet you and give you smooches. I am an extremely friendly, chatty, playful and affectionate boy who is always waiting to headbutt, have rubs and purr. I happily live in foster care with other cats/kittens, dogs and my big and little foster carers. I love to just chill out and watch the goings on around me. I am an INDOORS ONLY cat, but I love it best there because I feel safe and love being near my family.
