## Hi, my name is Loco

## adventurous fellow

## **Male Domestic Medium Hair Cat**

Loco is not for those who want a quiet life sitting watching the TV. He is a kitten with lots of energy, who loves to play & wrestle with his litter mates & loves to see just what is around the next corner or in the next room. When he runs out of steam he will happily sit & be cuddled until his next out break of the zoomies when he takes off to run laps of the room. Loco will do best in a home with a sibling or another kitten that likes to play, just to keep his curiosity & energy level under control. Nothing is much more fun than watching 2 (or more) kittens at play! Who needs video games when you can watch live action kittens playing?

A happy healthy boy, full of energy
