

Hi, my name is Bobby

Friendly Guy

Medium Male Greyhound Dog

My name is Bobby! I am a lovely black boy, who gets on very well with the other dogs in the shelter. So far I have not been tested with cats, so would be suitable for a home without furry little felines, just in case we don't see eye to eye. I am looking for a loving family, to spend my time going on adventures or just lazing around the house having cuddle time! If you are interested in meeting and getting to know me, please come check me out!
