

Hi, my name is Yoshi

Quiet loving home

Male Domestic Medium Hair Cat

Adoption Fee: \$180 Yoshi is such a beautiful boy but is quite timid with new people. Once he gets to know you however, he will soon enjoy getting pats and fuss, and snuggling on the bed or lounge. He's had a bit of a rough trot and is therefore a bit skittish of loud noises and quick movements for now, but this should improve with a little time and when he settles into his new home. This sweet boy deserves to be part of a wonderful, loving household and would love life as a companion cat in a quiet, settled adult home without other pets. (He doesn't seem to like the other cats in his foster home and has not been around children or dogs). Yoshi is litter trained.
