

Hi, my name is Penelope Pig

"Oink!"

Female Pig

Penelope Pig is one of 6 piglets rescued from being slaughtered. She is a little shy but friendly enough to feed by hand and with kindness and food bribes she will quickly become a loving pet. Penelope is a few months old and still has lots of growing to do so she will need a large area with shelter and pig-proof fencing. Pigs are very intelligent and need the company of a friend so we will only be rehoming Penelope in a pair with a friend. Please check out our other pig listings and contact us to discuss the best companion match for Penelope.

STRICTLY PET ONLY. MUST NEVER BE BRED, SOLD OR EATEN.

Age	1 year 6 months
Adoption fee	150
