

Hi, my name is Buster

Family / Companion pet

Medium Male Labrador x Mastiff Dog

Buster is a very people friendly chap looking for a family where someone is home during the day so he can keep them company. Buster is currently in care with a cat and he seems to get along best with female dogs. We believe he is a lab cross mastiff weighing in around 36kg. Buster likes to be with people so not suitable for full time workers. He enjoys going for walks and travels well in the car.
