

Hi, my name is Tildy

Looking for love

Medium Female Staffy Mix Dog

This sweet girl is on the look out for her forever home. Tildy was previously adopted but unfortunately she has not been getting on with her current owners cat. She will need a home with no cats or pocket pets. Tildy is a sweet girl whos got the most beautiful nature. She is gentle and doesn't jump up around little kids. She's good with other dogs but can be a little dominant. She walks well on a lead when using a halti. She knows basic commands and is good in the car or on the back of a ute. Tildy will need a home with a high fence as once she knows she can jump out she likes to take herself on adventures. We would recommend crating Tildy when you need to go out for her own safety. She will also need a family willing to help with toilet training so she can be left inside on her own. A family who is home more often than not an can take Tildy with them would be ideal. Would you like to meet Tildy?
