

Hi, my name is Turtle

Cat Friendly , Tail Free

Female Domestic Short Hair Cat

Introducing: Turtle! Why Turtle? We don't know. And while she's generally quiet, she's also friendly, and gets on well with other cats. And she has an awesome little patch of ginger fluff under her chest (poke at your own peril). Turtle also has Manx breed in her, and is naturally tail-less. For those of you who are always stepping on their cat's tail, this is the breed for you! Turtle is desexed, microchipped and vaccinated, and is \$100. Please PM the facebook page if you're interested in this pretty lass. Or call Louise 0427932230
