

Hi, my name is Ervin

friendly affectionate

Male Domestic Short Hair Cat

My name is Ervin I was dumped in a box with 10 other kittens and our mother outside one of the committee members house. She had lots of cats of her own and just could not afford to take on all of us as well so we went into foster care. I am a little unusual as I am an affectionate curious tabby boy. I have had my operation and all my needles with the others from the kitten house and now we are ready to find a wonderful loving home. We are all loving friendly affectionate young teenage cats waiting for a special person come to adopt us. My microchip 900079000382714
