

Hi, my name is Otis

Shy but a sweet boy!

Male Domestic Short Hair Cat

Otis has had a rough start to life. He's slow to trust his humans, however he loves his feline friends, always having fun and getting up to mischief with them. He especially loves George who took on the role of dad and has helped him build his confidence up. Once Otis is comfortable with you in his new humble abode, you will see him blossom into the lovely little boy that we all know he is. Otis is looking for a patient home that will shower him with all the love and attention in the world. Will it be with you?
