

Hi, my name is Red

gentle loving loyal

Medium Female Labrador x Ridgeback x Staffy Mix Dog

Hi my name is Red, I am not entirely sure what breeds my parents were some say there might be a little bit of Lab, a Little bit Ridgeback, maybe Staffy and who knows what else. I love people, their kids and I like being with my mate Sirius and most other dogs. I prefer not to share with another bitch unless I have too. I love to play with toys and run in the park but I am not overly active, I sit when I am told and come to my name, sometimes I even shake hands. I am not cat friendly and I am not 100% sure about small dogs. I have been desexed. I am microchipped, immunised and been treated for the usual parasites. I would love to have a loving home please. 900079000630579
