

Hi, my name is Kate

gorgeous tabby girl

Female Domestic Short Hair Mix Cat

Meet Kate. This gorgeous tabby girl of around three years of age has the most amazing silver markings and striking green eyes. Food is her favourite thing, and you can often find her head in a bowl cleaning up every last scrap. She hasn't always had it so easy. But she's done now with her mum duties and is free to chill out and relax at her forever home with her loving family, where she can enjoy the peaceful life she deserves. Though a little bit shy with strangers, once she gets to know and trusts her people, she comes out of her shell and gains confidence. She is a lovely cat, so quiet and gentle. She also gets along with non-dominant cats and cat-friendly dogs. Her adoption fee is just \$180 dollars, which will help to cover all her vet work (desexed, wormed, vaccinated and microchipped) through Pound Rescue Mackay, this also includes a free health check within 2 weeks of adoption at Northern Beaches Vets. If you are interested or have any questions please PM her foster mum or Pound Rescue Mackay for a meet and greet.
