

Hi, my name is Mason

Looking for love

Medium Male Cattle Dog x Shar-Pei Mix Dog

Mason was quite nervous when he came from the pound but he has relaxed with us. He came in with Gabby and they want to stay together. Gabby really depends upon him. Mason is social with other dogs. He walks well on lead but is scared of other dogs. He walks at a good pace and enjoys a cuddle but is nervous of men and does not cope with over patting.

He has a short coat and weighs 19.1kg. Walkers say "relaxed and easy to walk. Seems obedient to certain commands, eg slowly, this way". Gabby is a sweet natured girl who walks well on loose lead. She ignores cars and other dogs. She likes to jog and enjoys a cuddle too.

Walkers say "she is such a pleasure to walk and easy to direct and shows no reactivity to other dogs." Gabby came from the pound with lots of scars and worn down teeth. She has a short coat and weighs 19kg. They come desexed, heartworm free, vaccinated and chipped. Their adoption fee together is \$850. Suit Home Based Worker or Doggie Pal: Unable to cope alone and has shown signs of separation anxiety. Needs human company or other dog pals.
