

Hi, my name is Lb

An Adorable Girl

Female Domestic Short Hair Cat

My name is LB. I'm a small, pretty five year old girl looking for a quiet loving home. My foster mum says I'm such a sweet little thing with a beautiful face and markings and soft, soft fur.

Once I get to know you, I love to sit on warm laps, or next to you on the lounge. I've even been known to sneak under the covers at night! I also love looking out windows and lying in the sun. I get a bit scared of loud voices/noises, I don't like other cats and I think kids might be a bit too noisy and scary for me. I think my perfect home would be a with some adults who are kind (I like men as much as I like woman), are home more often than not and who would be patient with me while I come out of my shell. But once I do, I'll be sitting next to you when ever I can and chattering away. I hope you speak cat? I like to play with a few toys which I'll bring with me and I am very clean with my litter tray. And unlike most felines I'm not that fussy about what food I eat.! Do I sound like the girl for you?
