

# Hi, my name is Fiver

## Looking for love

### Male Domestic Short Hair Mix Cat

I was brought to Cat Haven so scared and unwell, all filthy and ratty. The staff here gave me a gentle bath and gave me my parasite treatments and attended to my every veterinary need. They fed me and gave me pats and while I'm still quite nervous around people I think I could learn to love a few of them, given time. Do you want to convince me to love you? I think you'd quite enjoy the journey. Very shy boy who likes to hide through the day but at night time when no one is around he likes to run amok with our kitten. He has a favourite cardboard box in a walk in wardrobe. he may hiss a little when you go to pick him up but usually he will go into a frozen stance. likes to snuggle and hold on to you while you have a cuddle.
