

Hi, my name is Boof

Stunning

Large Male Shar-Pei Mix Dog

Update his carer has done amazing work with him and he s doing really well with other dogs with her :-0 We are on as huge search to find the right home for Boof ... He s sooo lovely one on one with his human but his dominant behavior towards other dogs is a problem and causes trouble .Although he does nt cause damage the noise and intention is enough cause for worry when he s around other dogs ☹️ He was adopted out as a pup from Claws n Paws but since becoming an adult he s become dominant... Boof needs a strong leader in an only dog home with plenty of room to run around in he really loves to run and run I know this is a big ask but we hope we can find this for him he s as great dog for his person and his carer is seeing improvement s in his behavior, Boof is a share pi x he s only turned one recently and is desexed vaccinated mc worm and flea treated if you think you can help Boof please call Ruth 0437498838 and she can help determine if you have the right home for Boof and organise for you to meet him... Currently at Mangrove Mtn ♥️
