I was surrendered to OTC as my owner had to move and couldn't take me with. I am a big cuddly kitten at heart and gee do I love to play! I will even fetch. I can play on my own and I love a good cat tower and bell ball, oh, and I never scratch the furniture! I live with other cats and get along with them ok, but I do prefer male cats. I am litter trained and I'm very tidy lady naturally! My favourite place is the bed, and the cupboard if I need time on my own, but of course I'll come out for my breakfast or dinner and then snuggle up to you while you relax. I sleep in the bedroom with my foster mum, and I'm always down for some snuggles, day or night! I am a very confident lady naturally and would do great with an outdoor enclosure as I love to explore. I love people, take time to...
