

Hi, my name is Lilly

Friendly

Female Domestic Short Hair Cat

Lilly is an affectionate, calm, quiet girl who likes to snuggle up beside you on the couch. She is 11 years young, and uses her litter box. She's very lovey dovey, and rubs up against you or the furniture when she's feeling affectionate and wants to be stroked. She likes you to play a game with her of an evening with her fluffy long toy before retiring to her bed or on the lounge near you while you watch TV or read, etc. Best suited as the only pet in a quiet calm home. Lilly is a beautiful cat that anyone would be lucky to welcome into their home. Lilly came into care as she had sadly lost her owner. Lilly is a healthy girl however she is on a Urinary Care diet due to experiencing a UTI in 2012 and 2013. This is a purely preventative measure and costs about \$2 per day for the diet.
