

# Hi, my name is Lillian And Wasaga

## Quet Bonded Pair

### Male Domestic Short Hair Cat

\*\*\*INDOOR ONLY KITTIES \*\*\* \*\*\*BONDED PAIR \*\*\* Lilly and Wasaga are not siblings, but they were rescued within a few months of each other and have been together ever since. Wasaga was born 31.01.13. He is quite timid, and initially not happy being in male company due to his previous upbringing but he loves cuddles and attention once he's comfortable in his environment. He was rescued within a few months of Lillian, and they have formed a dependable bond. They enjoy grooming each other, and playing together. Lillian was born 01.08.10. She has a very soft and adorable nature. Neither have any bad habits. With Wasaga's sparkling blue eyes and Lillian's gracious demeanor, they make a good addition to a loving, quiet home. Both have had dental work, and each has had a tooth extraction. All their vet work is done and includes desexing, microchip, vaccinations, flea and worm treatment.
