

# Hi, my name is Phoenix \*\*

## So Special \*\*

### Extremely Affectionate

## Female Domestic Medium Hair Cat

Adopt me - Phoenix This stunning black long haired beauty came into care with one kitten and was trying for the next litter. Only 10 months old with a 4 month old baby, she's still a baby herself! Phoenix has proven herself gentle, loving, easygoing, happy, relaxed and full of purrs. She's still a little jumpy around loud noises and sudden movements - you'd have to be, living on the streets - but with a bit of time she'll settle into a beautiful couch potato. Ideally I'd love to find her a home with her son Dobby but she would be fine with another friendly cat for company. A friendly dog and older kids (teenagers and older) would also be suitable. She will need to be combed out occasionally as she does have a long thick coat that will need some maintenance. She loves loves loves rubbing her face and head on combs.
