

Hi, my name is Onyx

Cuddle Bug

Male Domestic Short Hair Cat

Onyx is a loveable, friendly, cuddly and snuggly boy who just loves to receive your attention. He loves my foster mum and the other cats and get on well with them all. Is currently in care with a dog and gets on well with him. Onyx has beautiful soft fur and pretty black & white markings. He hasn't been around kids so possibly more suited to a household with older children or no children.
