

# Hi, my name is Licorice

## Looking for love

### Male Domestic Medium Hair Mix Cat

Hi, my name is Licorice! I'm a 'Private Investigator'. I'll keep a close eye on you and your household to make sure you stay safe, though I'm good at vanishing into thin air if anyone or anything interferes with my investigation. Trust is a must for me - and I'd love to build a trusting relationship with you. I'm a very timid boy and will need a quiet home with no young children where I can relax and settle in at my own pace. I like my food, so some tasty treats might help me to get used to my new home and my new humans - I rather enjoy roast chicken, if you'd like a hint! I am desexed, microchipped, vaccinated, and up to date with parasite prevention. I have lots of love to give, please come and meet me as soon as you can.
