

Hi, my name is Meatloaf

Beautiful Boy

Male Domestic Short Hair x British Shorthair Mix Cat

Introducing Meatloaf who is the sweetest boy you will ever meet. He loves a pat and loves to follow around and sit next to his humans. He has a gorgeous speckled appearance and raccoon stripe on the top of his head which adds to his charm. His charm is enough to make anyone fall in love with him. He will make a wonderful companion for the right family. He can be a bit of an escape artist when he wants to be, but with a secure house and no young children to leave doors open, he will be the perfect best friend for anyone. He LOVES food and attention; these are his main requirements in his new family. So, if you have a cat sized hole in your heart that you want to fill, please send in your applications for this boy who is ready for his new home.
