

# Hi, my name is Walter

## Senior Purr Machine

### Male Domestic Medium Hair Cat

Good afternoon, my name is Walter and all I want is somewhere warm to curl up and call home. I am a cheeky, energetic and loving man who will follow you around the house for cuddles and company. My favourite thing to do in the morning is to close my eyes, sit in the sun and warm my whole body. Whenever I see you, I will say hello and when you pat me, I will say a little thank-you. I am also a purr machine, sometimes all you have to do is look at me and I start. While I am a little slower paced than my younger counterparts, I can be quick when I want to be, especially when I'm called for dinner. I have nothing but love to give to the right person and even though I'm not a kitten any more I have the most beautiful, kind, patient and energetic personality. I'm Walter and I can't wait to meet you.
