

Hi, my name is Regina

Oh So Sassy

Female Lop Eared Rabbit

This little girl is Regina! She's one confident bunny. She's not afraid to tell it like it is and will happily sass you around! She's a very active rabbit, and would love a lot of space to run around and play. She might seem super independent, but does have a soft side and lives for head pats. She can't wait to go to her forever home!
