

Hi, my name is Pepper

Looking for love

Female Domestic Short Hair Cat

Pepper is a shy girl who although is a tortoiseshell loves other cats and is very gently. She loves to be picked up and cuddled- she is just not the one to rush out and throw herself at you. Although in her own home this may change, she loves a chin scratch, loves being picked up and is a very sweet affectionate girl. She has been in the pound for 12 Months until we sprung her and it has not changed her loving attitude at all 🐾

She appears very healthy and has passed all of her vet checks
