

# Hi, my name is Bullet

## Looking for Love

### Male Domestic Short Hair Cat

All About Me and My Unique Personality: Hi. I'm Bullet! My foster Mum says my coat is like silk. I am a little shy at first, but once I know I am safe, I am all cuddles. I had a bad start to life but I'm really starting to know what love is with the help of my foster Mums. I love dinner time and anything to do with eating, drinking or running around. Every morning I jump upto say good morning to Mr Fishy through his tank and every night I say good night to Donnie who is my carers doggo. he is a little scarier only due to his size so I only ever say good night through his night time crate. I take a little to come out of my shell but once I do nothing is off limits. Once I know I'm safe I will jump up on your lap, flop over onto my back and demand tummy rubs. I have bonded with my mate Alvin. he is shy but I'm slowly helping him realise that all humans aren't bad. I would love to be adopted with Alvin so I can continue my journey with him and continue to help him. have a look at his profile he is just as cute as me. <https://www.hunteranimalrescue.com.au/adopt/alvin/> ...
