

Hi, my name is Trudy

!Intelligent Youngster!

Medium Female Staffy Mix Dog

Trudy is a lovely youngster - she is a sensational little lovely. Trudy is just a baby only 10-12 months old and she is an entertaining pup who'll makes you laugh a lot!! With continued training each day and her willing nature she will come along in leaps and bounds. She was never taught to walk on a lead - which has been a little challenge for her but she is getting better day by day. Trudy will make a clever companion for someone who will give her regular but not intense exercise, though if you like taking long walks or jogging Trudy will easily go the distance! Surrendered due to hard times- Trudy is here through no fault of her own. Other than the dogs she grew up with (and there were a few!!) Trudy has not met other dogs before so will need some exposure and continued quiet walks on a lead to help her to continue to gain confidence. Apparently when at her last home she chewed a few things up and also became possessive of her Human - which needs addressing but not insurmountable in the right home. The family did not give her the leadership and correction she needed -...
