

# Hi, my name is Gin & Moss

## Brother BFFs

### Male Domestic Medium Hair Mix Cat

Gin & Moss are a stunning pair. Found in a stray colony together with their family - Gin and Moss are far from the kitties they were when they came into care. When Moss came into care, he was a timid man, afraid of human contact and wary of eye contact. After 5 months of rehab and making some amazing kitty friends, Moss has become a total love bug! Waiting at your legs to be picked up for a snuggle is how he often greets you and he LOVES watching cat TV and even clicker training! Moss has made an amazing turnaround in care and is well and truly ready to find his forever home with his brother and best friend Gin. Gin was transferred into care a couple of months ago after months of trial and error in rehab. We thought we'd see if having his confident and happy brother, Moss around would help him to learn that humans aren't always dangerous. Moss helped tremendously in teaching Gin that humans and felines can live in harmony. Gin has always held onto that 'fight-or-flight' instinct when approached by humans but with some yummy treats and clicker training, Gin has made strides ...
