

# Hi, my name is Sam Dg20 335

**AVAILABLE NOW**

## Large Male Great Dane x Mixed Breed Mix Dog

Sam is a big bouncing baby. He needs a nice secure yard with high fences and plenty of training and attention or he has been known to have a tendency to take himself out on adventures. Sam does well with routine, so a family with a fairly steady routine would be best for him as he thrives on it, without routine, he can get a little unruly and destructive without it as, despite his size, he is still only a pup. Sam is good with female dogs, but he does play quite rough and is rather vocal about it, so a desexed female companion similar to his size would make a nice best friend. Sam is house trained and loves spending time snuggling with his family on the couch (he LOVES cuddles) he really is a big lovable baby goofball. Sam has not previously been around children and would send little ones flying with his wiggly butt, but older children would be fine

Sam will be desexed, vaccinated with a C3 Vaccination and must be registered before going to their new home (PLEASE NOTE: 'lifet...
