Hello world! My name is Ned and I am looking for my perfect forever home! Let me tell you a little bit about me. I am a very energetic, loving boy who enjoys the company of people and other dogs alike. I absolutely love swimming and frolicking in the water - a trip to the beach or the lake is the highlight of my day! I'm not just a beach boy though, I also love to go for long sniffy bush walks and runs as well! I travel well in the car and love to look out the window to take in the big wide world. I'm an intelligent boy who is eager to please so I learn new commands quickly. I really enjoy my training sessions and hope that I can find a home who is dedicated to continuing these! Recently I have been learning to sit, stay, wait, go to my 'place', go to my 'crate', eat, and 'get it'. I am both food and play driven which makes rewarding me for my good behaviour so much easier! Fetch and tug are my favourite games to play. I know to go to the toilet outside ...
